

I hope to inform you of the current state of Protestant churches in America today. The 7 sisters of American Protestant churches, who are the traditionally largest Protestant churches,

- a. United Methodist Church
- b. Evangelical Lutheran Church
- c. Episcopal Church
- d. Presbyterian Church USA
- e. American Baptist Churches USA
- f. United Church of Christ
- g. Disciples of Christ

All 7 of these churches profess a liberal theology, they deny that the Bible is inerrant. Inerrant means that the Bible is without error. This means they reject that the Bible is the Word of God, rather they believe the Bible is man's word about God. If you believe the Bible is the Word of God, they call you a fundamentalist.

Where did all this begin? It started in the Church of Christ with the ordaining of women in 1853 and then they were the first to have ordained gay clergy in 1972. Now, all these churches have gay clergy. The last of them to officially have gay clergy is the United Methodist Church in 2024. Today more than a third of these churches' ministers are women, and many gay.

These churches used to have theology differences, now they all are of an "anything goes" theology. Some of their pastors don't even believe in God. They have abandoned the Gospel and replaced it with 'making the world a better place', which for them is a woke-progressive agenda. A female Presbyterian pastor said in her Easter message "the resurrection doesn't matter; it's social justice that matters".

What do these churches teach?

- h. They deny the miracles of the Bible
- i. They see the Scripture as mythology, which is subject to science and evolution
- j. Some say they don't know if God exists, but they are sure that He is pro-LGBT.
- k. They will pay the bail money for their church members who are arrested for Pro-Abortion protests
- l. They believe in trans- operations for children, in the extreme.
- m. They expel ministers for refusing to perform gay marriage.
- n. They are all anti-ICE, and post "abolish ICE" signs.
- o. They are all Pro-Palestinian and Anti-Israel.
- p. They say a loving community is more important than what you believe about Jesus.

The conservative spin-offs of these churches are now fighting to stay conservative themselves. A smaller church – the Mennonites – just had a split over affirming gays in their church. Now you have gay Mennonites. The Southern Baptists have just voted against women pastors in their recent convention. It must pass again next year for this resolution to be finalized. Historically, it always begins with women pastors. First, they reject what Paul said about women teaching, then they reject what Paul said about practicing homosexuals in the church.

I should also mention The United Church of Canada (Canada's largest Protestant church), has atheist pastors, denies a bodily resurrection, and has apologized to indigenous people for teaching them the gospel.

These people who pastor these progressive churches are truly the worst people in our society today. These are the ones who rally their churches to protest for trans kids, pro-abortion and anti-ICE. They hate President Trump and declare him the Anti-Christ when everything **they** do is like the Anti-Christ.

The current fight among the progressives in these churches is that the gay pastors in the Presbyterian church do not have to maintain monogamous relationships. Some of the alphabet genders are not monogamous. It is easy to see the parallel today between the gay and women ministers of these churches and with the homosexual priests and temple prostitutes of Baal. These churches have taken off their masks and revealed themselves to be the harlot daughters of Babylon the Great.

In researching this blog, I heard many terrible things that hurt my heart, like a female Presbyterian pastor screaming at a child for being pro-life, and another pastor telling children unborn babies are parasites.

How does this affect you? Ezekiel 9:4 This tells of an angel who puts marks on God's people who weep over the abominations done in the land. "And the Lord said unto him, Go through the midst of the city, through the midst of Jerusalem, and set a mark upon the foreheads of the men that sigh and that cry for all the abominations that be done in the midst thereof." This should be us weeping over false Christianity's abominations.
